Welcome to ICCBDC 2024 @ Oxford Brookes University, UK

Big data is a rapidly expanding research area spanning the fields of computer science and information management, and has become a ubiquitous term in understanding and solving complex problems in different disciplinary fields such as engineering, applied mathematics, medicine, computational biology, healthcare, social networks, finance, business, government, education, transportation and telecommunications.

We sincerely invite you to participate [2024 8th International Conference on Cloud and Big Data Computing](#).

It'll be held at [Oxford Brookes University, Oxford, United Kingdom](#) during [August 15-17, 2024](#).

The goal is to establish an international forum for engineers and scientists to present their ideas and experiences in the fields of Cloud and Big Data Computing like we always do.

Since 2017, ICCBDC has been an annual event which was held in many places, University of Northumbria London Campus, Barcelona, St Anne's College in University of Oxford, Birmingham City University and Manchester Metropolitan University. In 2024, ICCBDC will be held in Oxford. Oxford Brookes is a leading modern British university, known for its strengths in teaching, innovative approaches to learning, and its focus on employability.
